Admiral William F. Raborn, Jr.  
Director  
Central Intelligence Agency  
Washington D. C.

Dear Admiral Raborn:

I am forwarding enclosed two copies of the executive session before the Joint Committee on Atomic Energy on May 13, 1966 at which representatives of the CIA testified concerning the third Chinese Communist nuclear explosion.

It would be appreciated if you would arrange to have the testimony reviewed for accuracy and for a corrected copy to be returned to the Joint Committee. In this connection please furnish a separate letter setting forth any substantive changes.

It would further be appreciated if your office would follow up on any additional information or answers to questions promised during the hearing which, to date, have not been received by the Joint Committee.

Your assistance in these matters is appreciated.

Sincerely yours,

  
John T. Conway  
Executive Director
